Shepherd's Pie

Tips and Tricks:

- ➔ **Wash hands** with soap and water before, during and after preparing food.
- ➔ **Adapt this recipe** to your family's taste.
- ➔ **Add lentils** as a low-cost way of stretching the recipe!
- ➔ **Use canned, fresh or frozen** vegetables.
- ➔ **Make double!** This dish freezes well. Wrap/cover carefully, and store in the freezer for 2-3 months.
- ➔ **Use a *calibrated* thermometer** to see if dish is cooked. *How do I calibrate?* Fill cup with ice and water. Insert thermometer. Adjust the dial to read 0° (32°F).

Directions

1. Turn oven on to 350°F.
2. Wash, peel and chop vegetables and garlic into small pieces.
3. Fill a pot with water, potatoes and 2 cloves garlic. Bring water to a boil. Simmer until tender.
4. Drain the water. Mash the potatoes. Add milk and margarine. Mix. Set aside.
5. In a frying pan, add oil and heat on MEDIUM. Add meat. Cook. Drain meat in a colander.
6. In the same frying pan, cook onions, celery, carrots and 2 cloves garlic until tender. Add meat back to pan.
7. Add lentils, stock, tomato paste and heat on MEDIUM. Stir until the liquid thickens.
8. Add thyme, pinch of salt and pepper, peas and corn to pan. Stir.
9. Pour meat mixture into a baking dish. Top with mashed potatoes. Sprinkle on paprika.
10. Bake in oven 30 minutes. Insert a calibrated thermometer. It is ready when it reaches 74°C (or 165°F).
11. Serve with roasted vegetables.
